Who Can Vote?

Only stockholders of record at the close of business on October 24, 2011 are entitled to vote at the Special Meeting. On this record date, there were 34,654,206 shares of our common stock ("Common Stock") outstanding and entitled to vote. Each share of Common Stock is entitled to one vote. The Common Stock is our only outstanding class of voting stock.

Stockholder of Record: Shares Registered in Your Name

If, on October 24, 2011, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Special Meeting or vote by proxy. Whether or not you attend the Special Meeting, we urge you to fill out and return the enclosed proxy card or follow the instructions on the proxy card to submit your vote by telephone or internet to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If, on October 24, 2011, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your

account is considered the stockholder of record for purposes of voting at the Special Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. A number of brokers and banks enable beneficial owners to give voting instructions via telephone or the internet. Please refer to the voting instructions provided by your bank or broker. You are also invited to attend the Special Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you provide a valid proxy from your broker, bank or other custodian.

What am I voting on?

At the Special Meeting, stockholders will be asked to vote on an amendment to our Restated Certificate of Incorporation to increase the number of shares of common stock, par value \$0.01 per share, that we are authorized to issue from 50,000,000 shares to 125,000,000 shares.

How Do I Vote?

Whether you plan to attend the Special Meeting or not, we urge you to vote by proxy. Voting by proxy will not affect your right to attend the Special Meeting.

Stockholder of Record: If your shares are registered directly in your name, you may vote:

- *By mail.* Complete and mail the enclosed proxy card in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted as recommended by our Board of Directors.
- *In person at the meeting.* If you attend the meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.
- *By telephone.* You may vote over the telephone by calling toll-free 1-800-PROXIES (1-800-776-9437) in the United States or 1-718-921-8500 from outside the United States and follow the recorded instructions. Please have your proxy card available when you call. Your vote must be received by 11:59 p.m. Eastern Standard Time on November 20, 2011 to be counted.
- *Internet.* You may vote via the internet by going to www.voteproxy.com and follow the on-screen instructions. Please have your proxy card available when you access the web page. Your vote must be received by 11:59 p.m. Eastern Standard Time on November 20, 2011 to be counted.

Beneficial Owner: If your shares are held in “street name” (held in the name of a bank, broker or other nominee), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

- *By mail.* You will receive instructions from your broker or other nominee explaining how to vote your shares.
- *In person at the meeting.* Contact the broker or other nominee who holds your shares to obtain a broker’s proxy card and bring it with you to the meeting. You will not be able to vote at the meeting unless you have a proxy card from your broker.
- Using any other means made available to you by your bank, broker or other nominee.

How Many Votes do I have?

Each share of Common Stock that you own as of October 24, 2011, entitles you to one vote on each matter to be voted on at the Special Meeting.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted “**For**” the amendment to our Restated Certificate of Incorporation. If any other matter is properly presented at the Special Meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his best judgment.

Will My Shares be Voted if I Do Not Return My Proxy Card?

If your shares are registered in your name, they will not be voted if you do not return your proxy card by mail or vote at the meeting as described above under “How Do I Vote?” If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under “How Do I Vote?,” the bank, broker or other nominee has the authority to vote your unvoted shares if it does not receive instructions from you. We encourage you to provide voting instructions. This ensures your shares will be voted at the meeting in the manner you desire.

May I Revoke My Proxy?

If you give a proxy, you may revoke it at any time before the Special Meeting. You may revoke your proxy in any one of the following ways:

- signing a new proxy card and submitting it as instructed above;
- notifying the Company’s Secretary in writing before the Special Meeting that you have revoked your proxy; or
- attending the meeting in person and voting in person if you are a stockholder of record. Attending the meeting in person will not in and of itself revoke a previously submitted proxy unless you specifically request it.

What if I Receive More Than One Proxy Card?

You may receive more than one proxy card or voting instruction form if you hold shares of our Common Stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described under “How Do I Vote?” for each account to ensure that all of your shares are voted.

How Does the Board of Directors Recommend That I Vote on the Proposal?

The Board of Directors recommends that you vote “FOR” the amendment to our Restated Certificate of Incorporation increasing the number of shares of Common Stock that we are authorized to issue from 50,000,000 shares to 125,000,000 shares.

If any other matter is properly presented, the proxy card provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his best judgment. At the time this Proxy Statement was printed, we knew of no matters that needed to be acted on at the Special Meeting, other than those discussed in this Proxy Statement.

What Vote is Required to Approve the Proposal?

The affirmative vote of a majority of the shares present in person or represented by proxy at the Special Meeting and entitled to vote on such matter is required to approve the amendment to our Restated Certificate of Incorporation. Abstentions will have the effect of a vote against this proposal. Brokerage firms have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Special Meeting, who will separately count “For” and “Withhold” and “Against” votes, abstentions and broker non-votes. Shares represented by abstentions and broker non-votes will be counted in determining whether there is a quorum for the Special Meeting. Abstentions will have the effect of a vote against the proposal. Broker non-votes will not be counted towards the vote total for the proposal.

Who Will Pay the Costs of Soliciting these Proxies and How Are They Being Solicited?

We will pay all of the costs of soliciting these proxies. Our directors and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses.

What Constitutes a Quorum for the Meeting?

The presence, in person or by proxy, of the holders of a majority of the issued and outstanding shares of our Common Stock is necessary to constitute a quorum at the meeting. Votes of stockholders of record who are present at the meeting in person or by proxy, abstentions and broker non-votes are counted for purposes of determining whether a quorum exists.

How can I find out the results of the voting at the Special Meeting?

Preliminary voting results will be announced at the Special Meeting. Final voting results will be published in a Current Report on Form 8-K within four business days after the Special Meeting.

Attending the Special Meeting

The Special Meeting will be held at the offices of Amicus Therapeutics, Inc., located at 6 Cedar Brook Drive, Cranbury, New Jersey 08512 on November 21, 2011 at 9:00 a.m. Eastern Standard Time. When you arrive at Amicus, signs will direct you to the appropriate meeting rooms. You are not required to attend the Special Meeting in order to vote. Should you require directions to the Special Meeting, please contact Sara E. Pellegrino, Associate Director, Investor Relations at spellegrino@amicustherapeutics.com.

When are stockholder proposals due for the 2012 Annual Meeting of Stockholders?

If you wish to submit a proposal to be considered for inclusion in the proxy materials for the Amicus 2012 Annual Meeting of Stockholders (the “2012 Annual Meeting”) or nominate a director in connection therewith, your proposal must be in proper form according to Securities and Exchange Commission (“SEC”) Regulation 14A, Rule 14a-8 and received by the Secretary of the Company no later than December 27, 2011. Proposals received after that date will not be voted on at the 2012 Annual Meeting. If a proposal is received before that date, the proxies that management solicits for the meeting may still exercise discretionary voting authority on the proposal under circumstances consistent with the proxy rules of the SEC. To be timely, stockholder notice of any such proposal must be received by us not earlier than November 27, 2011 and not later than December 27, 2011; provided, however, that in the event that the date of the 2012 Annual Meeting is more than thirty (30) days before or more than sixty (60) days after the anniversary date of the 2011 Annual Meeting of Stockholders, notice by the stockholder to be timely must be delivered not earlier than the close of business on the ninetieth (90) day prior to the 2012 Annual Meeting and not later than the close of business on the later of the sixtieth (60th) day prior to the 2012 Annual Meeting or the tenth (10th) day following the day on which we make a public announcement of the date of such meeting. All stockholder proposals should be marked for the attention of Secretary, c/o Amicus Therapeutics, Inc., 6 Cedar Brook Drive, Cranbury, New Jersey 08512.

AMENDMENT TO RESTATED CERTIFICATE OF INCORPORATION**

Description of the Amendment

The Board of Directors has adopted a resolution to amend our Restated Certificate of Incorporation, as amended, to increase the number of shares of common stock, par value \$.01 per share, that we are authorized to issue from 50,000,000 to 125,000,000 shares and has directed that the proposed amendment be submitted to our stockholders for their approval and adoption. The amendment will not change the number of shares of preferred stock that are authorized (10,000,000 shares), and the total authorized shares will be increased from 60,000,000 to 135,000,000. The amendment will replace the first sentence of Section 4 of our current Restated Certificate of Incorporation with the following language:

FOURTH: The total number of shares of all classes of capital stock which the Corporation shall have authority to issue is One Hundred Thirty-Five Million (135,000,000) shares, consisting solely of: One Hundred Twenty-Five Million (125,000,000) shares of common stock, par value \$.01 per share ("Common Stock"); and Ten Million (10,000,000) shares of preferred stock, par value \$.01 per share ("Preferred Stock").

Background

We may issue shares of capital stock to the extent such shares have been authorized under our Restated Certificate of Incorporation. Currently, we are authorized to issue up to 50,000,000 shares of common stock, par value \$.01 per share, and 10,000,000 shares of preferred stock, par value \$.01 per share.

As of September 30, 2011, the total shares of common stock issued and outstanding and reserved for issuance pursuant to outstanding warrants, options, and preferred stock equaled 48,355,049 as follows:

- 34,654,206 shares of common stock issued and outstanding;
- 1,854,946 shares of common stock reserved for issuance pursuant to warrants to purchase common stock outstanding; and
- 11,845,897 shares of common stock reserved for issuance pursuant to options to purchase common stock outstanding.

As a result, we have only 1,644,951 unreserved shares of common stock available for issuance. There are no shares or preferred stock outstanding.

Reason for the Proposal

We have incurred losses to date and expect to continue to generate losses over the next couple of years as we continue the clinical development of our drug candidates, including Amigal, and conduct preclinical studies on other programs. These activities are expected to expand over time and will require further resources if we are to be successful. Because we have not generated commercial sales revenue and we expect our losses will continue in the near future, we will need to raise additional capital through a range of activities including equity offerings, business collaborations, or other business development opportunities. Our Board of Directors believes that the current amount of unreserved shares of common stock is insufficient for our future financing needs because it is likely that the sale of shares of common stock will be one of the principal means by which we will raise additional capital until such time as we are able to generate earnings sufficient to finance our operations or achieve significant milestone and/or royalty payments under current or future collaboration agreements. Although our Board of Directors has no current plan, arrangement or commitment to issue additional shares of common stock, the Board believes that it is in the best interest of the Company and our stockholders to have a sufficient number of authorized but unissued shares of common stock available for issuance in the future for such purposes.

In addition, increasing the number of shares of common stock available for issuance to 125 million will more properly align the Company with our peer group established by the Compensation Committee of the Board of Directors and set forth in our proxy statement mailed to stockholders in connection with our 2011 Annual Meeting of Stockholders held on May 24, 2011. On average, the companies in our peer group are authorized to issue approximately 159 million shares of common stock, more than three times the authorized shares for the Company. Increasing our authorized shares to 125 million will afford us the financing flexibility enjoyed by our peers and better allow us to compete with these companies.

Possible Anti-Takeover Effects of the Amendment

The proposed amendment to our Restated Certificate of Incorporation is not being recommended in response to any specific effort of which our Board of Directors is aware to obtain control of the Corporation, and our Board of Directors does not intend or view the proposed increase in authorized common stock as an anti-takeover measure. However, the ability of our Board of Directors to authorize the issuance of the additional shares of common stock that would be available if the proposed amendment is approved and adopted could have the effect of discouraging or preventing a hostile takeover.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE PROPOSAL TO APPROVE AND ADOPT AN AMENDMENT TO OUR RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK TO 125,000,000 SHARES.

OTHER MATTERS

The Board of Directors knows of no other business which will be presented to the Special Meeting. If any other business is properly brought before the Special Meeting, proxies in the enclosed form will be voted in accordance with the judgment of the persons voting the proxies.
